ChatGPT Prompting Guide #1

- ✂ To remove any **unnecessary** pre-text and post-text, you can paste this before any ChatGPT query: [Return only the main response. Remove pre-text and post-text.]

- ✂ To get simple and clear **language**, use this prompt: [Voice and style guide: Write at a 5th grade level. Use clear and simple language, even when explaining complex topics. Bias toward short sentences. Avoid jargon and acronyms.]

✂ To get a conversational and relatable **tone**, use this prompt: [Voice and style guide: Write in a conversational, relatable style as if you were explaining something to a friend. Use natural language and phrasing that a real person would use in everyday conversations.]

✂ To **format** the output using markdown, use this prompt: [Format your response using markdown. Use headings, subheadings, bullet points, and bold to organize the information.]

✂ To get punchy and **attention-grabbing** writing, use this prompt: [Voice and style guide: Use sentence fragments and figurative language. Write as a master of brevity would. Frequently use short, pithy sentences that pack a punch.]

✂ To get persuasive and **story-telling** writing, use this prompt: [Voice and style guide: Makes use of persuasive tone, making use of rhetorical questions, and storytelling to engage readers. Use metaphors, analogies and other literary devices to make points more relatable and memorable. Write in a way that is both informative and entertaining.]

✂ To get clear and **easy-to-understand** writing, use this prompt: [Voice and style guide: Use simple language to convey complex ideas so that they are clear and easy to understand. Break down complex concepts into easy-to-understand frameworks and models. Provide actionable and practical takeaways.]

✂ To get a **creative** and descriptive writing style, use this prompt: [Voice and style guide: Use descriptive and vivid language to create a sense of imagery and atmosphere. Use literary devices such as similes, metaphors, and personification to add depth and interest to the writing. Write in a way that is both imaginative and evocative.]

✂ To get a **professional** and informative writing style, use this prompt: [Voice and style guide: Use a professional and informative tone. Use industry-specific language and terminology. Provide detailed and accurate information. Use statistics, research and expert opinions to back up your argument. Write in a way that is both informative and knowledgeable.]

✂ To get **formal**, **complex**, and in-depth writing, use this prompt: [Voice and style guide: Use a formal and academic tone paired with sophisticated vocabulary and grammar. Provide a thorough and in-depth analysis of the subject matter. Explain complex scientific concepts in a clear and accessible way. Use examples from a variety of fields, such as psychology and cognitive science. Present counter-arguments and dissenting opinions in a balanced and objective way.]

It's worth noting that you can combine these prompts to get a unique writing style that fits your specific needs.
